AGILITY, JUMPERS & GAMES TRIAL

by Normon Morcom

Our 50th Anniversary Celebration Agility, Jumping and Games Trial attracted 928 entries from all over the State. That may be the biggest entry ever for a club-run trial in Victoria.

Anita Zuccon with 'Hazel'

The weather was near perfect. This was in contrast to last year's trial when a storm deluged us and gale force winds forced abandonment half way through the day.

Lisa Neil with 'Dusty'

This year we included agility games in the programme and accordingly added a ring dedicated to games. The games ring coped well, but the big increase in entries for other events extended the time taken by the other rings. This meant a late finish to the presentation sessions at the end of the day.

ABOUT PAWPRINT

Pawprint, our monthly newsletter is full of information, training tips and important news about club happenings. Pick up your copy on the FIRST SUNDAY of each month - they are found on the counter at the club kitchen or the sign-up office window.

THE TEAM

Kristy Proudlock
Norman Morcom

Our very capable Trial Co-ordinator Martha Schnider deserves special thanks. Martha spent many weeks organising all our stewards and lead runners, and also arranging the "showbag" prizes for First Place winners. The bags contained lots of useful dog goodies and delighted winners. Very special thanks must go to our sponsor, Discount Animal Supplies in Lysterfield, who donated all the contents of the bags. Please, please be one of their customers and thank them for their sponsorship.

Thanks also to Alois Schnider who put in much work arranging the hire of additional agility equipment from multiple sources.

Meryl Birchall with 'Raulf'

Special thanks goes to our dedicated crew in the kitchen, headed up by Margaretha Hovens. The lunch provided for judges and officials was, as always, outstanding. And the goodies through the hatch were lovely.

Kim Morrison with 'Biscuit'

AGILITY, JUMPERS & GAMES TRIAL

by Normon Morcom

It was great to have so many KODC helpers on the day who do not participate in agility. This freed our agiliteers to compete in the events.

Heather Donaldson with 'Delta'

Our helpers were too numerous to name them all, but I'd like to particularly acknowledge prodigal son Kane Wheeler who took on, and excelled at, the critical task of entering results into the database and printing the pass cards. Our system had to track results in 102 separate event categories on the day.

Margaret Keil with 'Lucille'

20 KODC members entered 25 dogs spread over almost every event. This is a vast increase on previous years.

Nick Kirchner with 'Maimie'

Congratulations go to the winners of our major awards for KODC members. The successful teams (handler and dog) feature on the front page of this edition of Pawprint.

Our main trophy, for the KODC-trained dog most successful on the day, went to Denise Basile with her sheltie 'Bella'.

The sash for the fastest dog in an agility event went to Norm Morcom with miniature poodle 'Pearl'.

And the sash for the fastest dog in a jumping event went to Alois Schnider with his border collie 'Chloe'.

50TH BIRTHDAY CELEBRATIONS

50TH BIRTHDAY CELEBRATIONS

As the song goes - Oh what a night.

It was great to catch up with old friends from the club and it was so nice to have Hurtle & Dawn Lupton (Hurtle is our patron). We also had the pleasure of Nick Wakling MP.

And Ute and Dick May came down from Heathcote for the night. Dick was our longest servicing president that we have had. Ute was the longest servicing secretary the club has had. It was especially good see lots of current members.

If you wanted to learn about club history it was definitely the night. Some of the old photos of the club have now been taken to the Ferntree Gully Historical society.

Celebrations continued the next day with a BBQ and another cake at club.

CLUB RULES

No bitches in season permitted on or near the training ground.

No dogs allowed on the ground without a lead, unless under the supervision of an Instructor.

No children other than child handlers permitted on the training ground.

No smoking is permitted while attending class, in the clubhouse, under the covered area outside the Clubhouse, or within 5 metres of any active Class.

No hitting a dog, except when trying to prevent a fight or prevent a dog biting a person.

Unless crated, Dogs are not to be:

- left unattended,
- tied to a car,
- tied to any Clubhouse structure,
- left in the Clubhouse, or
- left in the care of children under 10 years old.

Instructors may secure their dogs as they deem appropriate while instructing.

Dogs are allowed in the Clubhouse, excluding areas set aside for the preparation or serving of food, except on such days as Committee considers inappropriate. No dogs are to be left in the Office, except those belonging to the Club members working there.

Dog droppings to be cleaned up **immediately**.

Handlers must be a **financial member** of the club to attend training and use of the club facilities.

All members must wear their current membership card while attending training.

Any dog showing visible signs of any **disease** or **injury** will be asked to leave the training ground and to seek veterinary advice.

A dog that has bitten, or in the opinion of the training panel shows an extreme tendency of unprovoked aggression towards people, **must** be muzzled.

Members have the right of appeal against muzzling if it can be proved, beyond doubt, that the dog was provoked.

Removal of a muzzle will be decided by the committee, at the recommendation of the Training Panel.

YELLOW BANDANAS

The Knox Obedience Dog Club has available Yellow Bandanas to identify dogs that may need a bit of space around them.

The reason for needing one could be:

- Nervousness
- Recovery from an operation (i.e.: convalescing)
- Unsociable to people or other dogs

When approaching a yellow bandana dog please make sure your dog doesn't go running up to it freely, just as the handler of the yellow bandana dog should be mindful of the space around their dog at all times.

If you feel your dog needs to be given their own space, then go to the office and obtain a bandana. Please return them when you have finished, so that other dogs can have their turn.

AVOID DOGS TIED UP AND IN CRATES

You may have noticed that some members and instructors who use the Competition Obedience and Agility rings leave their dogs unattended, either in a crate or tied up, while they are working or helping other members.

Also, some instructors tie their dogs up to the goal posts whilst they are teaching a class.

PLEASE AVOID LETTING YOUR DOG APPROACH ANY DOG THAT IS LEFT UNATTENDED.
